FAQs

WHAT IS ENTOURAGE?

Entourage is designed to provide high quality training in Ballet and Jazz for students who love to perform and are interested in a challenging, team environment. Dancers learn teamwork, dedication, and much more as they prepare routines that will be performed throughout our community!

WHO IS ELIGIBLE FOR ENTOURAGE?

Students are selected for Entourage in one of two ways: if they are a current Dancer's EDGE student and their 2024-2025 Level Placement indicates "Entourage" in the level designation OR if they are invited to begin Entourage through a placement invitation or audition (contact info@dancersedgeonline.com if you are interested). Students must be entering at least Level 1 Ballet and Jazz in order to be considered.

WHAT IF MY STUDENT WANTS TO TAKE OTHER GENRES BESIDES BALLET AND JAZZ?

Entourage focuses on Ballet and Jazz, though students are welcome/encouraged to take other genres as an add-on option to the core program. Students can select from available add-on classes listed for their level below. We also encourage applicable students to check out our regular/Open class schedule for additional options like Pointe or extra Ballet classes.

WHAT IS THE COST TO PARTICIPATE IN ENTOURAGE?

- Monthly tuition - \$124 plus sales tax
- Entourage Fee of \$15/month (1 month over the Summer due on July 1st, 9 months during the School Year). This helps cover the cost of special events for Entourage members, staffing at performances, extra instructional time spent planning routines and providing more robust report card feedback, etc.

IF MY STUDENT WANTS TO PARTICIPATE IN ENTOURAGE, DO THEY HAVE TO TAKE SUMMER CLASSES?

Yes, the Entourage program is designed to run for BOTH our Summer session and the School Year session. This is an important component for the students in Entourage to be able to progress more quickly than our Open classes who need 6-8 weeks of review in the Fall to bring their skills back up to speed after potentially taking the Summer off. Students are required to participate in a Summer Entourage block if they would like to be in Entourage during the School Year.
